

Build a kindergarten playground * Renovate a swimming pool * Support a Children's Village

JOIN AN **INTERNATIONAL WORK CAMP**

The German non-profit organisation IBG offers various international work camps from March to June 2018. Join now!

An international work camp is a voluntary project of 2 weeks. Together with about 10 volunteers from all over the world, you work up to 30 hours a week for a community. In return, accommodation, food and free time activities are included.

What's in for you?

For two weeks you get to know Germany and lots of different cultures first hand! You spend your free time doing something useful and practice your English language skills along the way.

Participation Fee: 75 EUR. **More information on** www.ibg-workcamps.org

Find your favourite project and apply on join.ibg-workcamps.org!
