

# НОВИ КНИГИ ОТ ФАО

постъпили в библиотеката през месец декември 2019 г.

Централна университетска библиотека Тракийски университет  
Направление Развитие и управление на колекции, Д. Стоянова

Област на знанието: *Труд. Заетост. Икономика на труда*

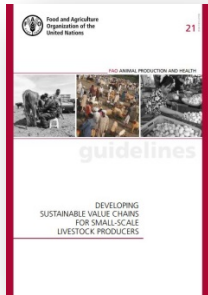

**Сигнатура:** ЕК

**Preparing and accessing decent work amongst rural youth in Cambodia, 2019.**

This report notes that, despite positive results in the areas of market linkages and intensified production for roots and tubers, it is necessary to unlock access to credit and provide small actors with risk management tools to cope with climate variability affecting production and prices. (FAO)

**Предметни рубрики:** младежи – заетост – райони, селски – Камбоджа

Област на знанието: *Общи въпроси на търговията. Пазар*

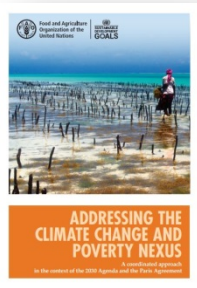

**Сигнатура:** ЕК

**Developing sustainable value chains for small-scale livestock producers, 2019.**

This publication addresses some of the challenges that small-scale livestock producers face, such as restricted access to market, which in turn restricts their ability to compete with larger counterparts. (FAO)

**Предметни рубрики:** ферми, семейни – достъп до пазари

Област на знанието: *Промяна на климата*

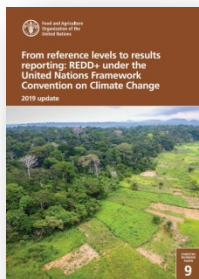

**Сигнатура:** ЕК

***Charles, Anthony и др. Addressing the climate change and poverty nexus : a coordinated approach in the context of the 2030 Agenda and the Paris Agreement, 2019.***

Taking an integrated climate-poverty approach, this report proposes a series of recommendations to improve the design and delivery, and ultimately the results, of synergies between interventions related to climate mitigation and adaptation, poverty reduction and food security. (FAO)

**Предметни рубрики:** промени на климата – продоволствена сигурност

**Сигнатура:** ЕК

**From reference levels to results reporting: REDD+ under the United Nations Framework Convention on Climate Change : 2019 update, 2019.**

This report provides an update on forest reference (emission) levels (FRE/FRLs) and REDD+ results submitted to the UNFCCC. It illustrates the choices countries have made when constructing their FREL/FRLs and areas for improvement. (FAO)

**Предметни рубрики:** промени на климата ; гори – търговия с въглеродни емисии

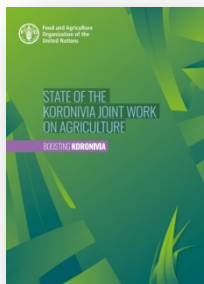

**Сигнатура:** ЕК

**Managing climate risks through social protection : reducing rural poverty and building resilient agricultural livelihood, 2019.**

This paper discusses how climate change is accelerating extreme climate events, and looks into the challenges of promoting more coherent approaches to social protection, disaster risk reduction and management, as well as climate change adaptation and mitigation. (FAO)

**Предметни рубрики:** климатични рискове – управление ; устойчиво земеделие – райони, селски

**Сигнатура:** ЕК

**State of the Koronivia Joint Work on Agriculture (KJWA), 2019.**

This document introduces the Koronivia Joint Work on Agriculture and aims to clarify the KJWA process for Parties and observers, but also to foster their engagement and collaboration to better develop, support and implement concrete and practical solutions for climate change adaptation and mitigation. (FAO)

**Предметни рубрики:** промени на климата – селско стопанство – продоволствена сигурност

**Област на знанието:** *Ветеринарна медицина*

**Сигнатура:** ЕК

### **African swine fever in wild boar ecology and biosecurity, 2019.**

An evidence-based overview of the ecology of the epidemic in northern and eastern Europe, this book advocates collaboration across all stakeholders in communities dealing with outbreaks of the disease. (FAO)

**Предметни рубрики:** диви свине – инфекциозни болести – Африканска чума ; Източна Европа – биосигурност

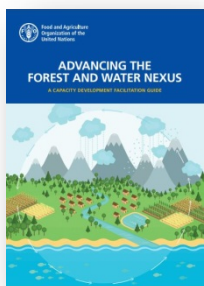

**Сигнатура:** ЕК

### **Prudent and efficient use of antimicrobials in pigs and poultry : a practical manual, 2019.**

This manual showcases a series of actions to address disease in the pig and poultry sectors and promotes antibiotic use that complies with domestic governance and regulatory measures. (FAO)

**Предметни рубрики:** свине ; домашни птици – болести – лечение – антибиотици

Област на знанието: *Горско стопанство*

Сигнатура: ЕК

**Advancing the forest and water nexus : a capacity development facilitation guide, 2019.**

This guide provides background information, resource materials, and a facilitation plan to support the delivery of capacity development programs to improve forest and tree management for the provision of water-related ecosystem services. (FAO)

**Предметни рубрики:** гори ; горско стопанство ; води ; водни ресурси

Сигнатура: ЕК

**Gianvenuti, A. и др. Managing forests in displacement settings : guidance on the use of planted and natural forests to supply forest products and build resilience in displaced and host communities, 2019.**

This handbook covers actions, from growing trees to caring for nursery sites, to help restore forests in displacement-affected areas, generate income for refugees and reduce the environmental impact of displacement settings. (FAO)

**Предметни рубрики:** лесовъдство – разсадници

**Област на знанието:** *Риболов*

**Сигнатура:** ЕК

**Report of the thirty-third session of the Committee on Fisheries Rome, 9-13 July 2018, 2019.**

The July 2018 welcomed the increasing number of Parties to the FAO Agreement on Port State Measures, discussed progress in implementing small-scale fisheries guidelines, and noted the key role of FAO's work for SDG 14 (Life below water), among other matters. (FAO)

**Предметни рубрики:** риболов, дребномащабен – райони, крайбрежни
