Dear Dean Prof. Lyutskanov,

On behalf of ECOVE, who met on 11 December 2019, I herewith inform you of the Evaluation result, based on the ESEVT Full Visitation to your Establishment on 13 – 17 May 2019.

The Committee concluded that the following Major Deficiencies were identified:

1. Non-compliance with Substandard 3.5 because there is no acknowledgement of Day One Competences in all groups of subjects.
2. Non-compliance with Substandard 4.6 because of insufficient adherence to biosecurity, safety and animal welfare legislation in some facilities.
3. Non-compliance with Substandard 4.8 because the VTH does not provide 24/7 emergency services for companion animals and equines.
4. Non-compliance with Substandard 5.2 because of insufficient clinical training in several species.
5. Non-compliance with Substandard 8.9 because of absence of knowledge of Day One Competences affecting the overall process of assessment.

In accordance with the European System of Evaluation of Veterinary Training (ESEVT) and based on the educational requirements of the Directive 2005/36/EC as amended by Directive 2013/55/EU,
