Vienna, 24 November 2015

Dear Professor Lyutskanov,

On behalf of ECOVE who met on 19 November 2015, I herewith inform you of the Evaluation result, based on the Re-visitation to your Establishment on 16-17 April 2015.

The Committee concluded that the Major Deficiencies identified in 2009 has been rectified.

The Committee noted that the Re-Visitation experts observed some potential Major Deficiencies that did not fall within the scope of the Re-Visitation. Current SOPs do not allow ECOVE to take any view on these observations but it was unanimous opinion of the committee that they should be brought to the attention of the faculty. Future SOPs may lead to a different outcome.

In accordance with our Standards and based on the educational requirements of the EC Directive 2005/36, Article 38,

**the status of the Faculty of Veterinary Medicine,
Stara Zagora is

In line with our agreement, please publish the SER and the Final Report on your website.

Yours sincerely,

Prof. Pierre Lekeux
