## PATRONAGES

European Parliament

In the context of the upcoming elections, the European Parliament has started building a community of supporters for the cause of voting, for which the dedicated platform is [www.thistimeimvoting.eu](http://www.thistimeimvoting.eu). Antonio Tajani, President of the **European Parliament**, is asking every 751 Members of Parliament be involved in the #ErasmusDays events across Europe, in order to mobilize European citizens for the 2019 European elections.

The #ErasmusDays benefit from the **European Commission's** high patronage and the support of Commissioner Tibor Navracsics who will take part in this year's edition. At the same time, the **#UEandME** campaign is informing the youth on their mobility, training, rights, environmental and digital opportunities.

## #ERASMUSDAYS 2018

The #ErasmusDays 2018 will take place on October 12<sup>th</sup> and 13<sup>th</sup> in more than 29 European countries and beyond. Everyday new events are being added to the **800 one already registered** on the [www.erasmusday.eu](http://www.erasmusday.eu) website.

**This event is based on a very simple idea:** communicate European values and interest, mobility's benefits and projects results, thanks to the Erasmus brand and Erasmus + programme, over two specific days in order to be visible by citizens, professionals, the media and policy makers. In the context of May 2019 election, this year is really important for the mobilization and awareness of the youth, the civil society and those involved in education and training in Europe. The French Erasmus+ Agency supports the Parliament's campaign "This Time I'm voting" ([www.thistimeimvoting.eu](http://www.thistimeimvoting.eu))

2018 is the **European Year of Cultural Heritage**. It is the perfect opportunity to specifically involve cultural players.

With 29 countries involved in the **citizens' consultations on Europe**, the #ErasmusDays represent a highlight for the organisation of debates on Europe. Ahead of the European elections of May 2019, these public consultations can be organized on October 12<sup>th</sup> and 13<sup>th</sup> for a stronger impact.

The **Time to Move campaign** encourages Eurodesk centres to organise information events on European mobility towards young people throughout the whole month of October. These events can thus benefit from a double visibility and a double impact when organized on the #ErasmusDays dates.

#ErasmusDays expand throughout the whole of Europe and beyond, to the **201 countries** eligible for the Erasmus+ programme. While the **next Erasmus + programme (2021-2027)** is being debated, the #ErasmusDays will showcase the European impact in the territories thanks to success stories and testimonies. Let's tell the world **how proud we are to be European**, united in diversity.

## HOW CAN WE ILLUSTRATE A STRONG & CONCRETE EUROPE ?

You are invited to organize or take part in an event in accordance with three possible ways:

- all the **Erasmus + programme players** (educational and training institutions, companies, research centres, chambers of trade, employment agencies, organisations and NGOs, etc.) are called to showcase the impact of their projects. Each institution is free to **organise any kind of event**, including seminars, partner meetings, photo exhibitions, concerts, radio shows, conferences, hackathons, digital activities... The events will be registered and visible on [www.erasmusdays.eu](http://www.erasmusdays.eu);
- the nine million former **beneficiaries** and the current citizen beneficiaries (school children and teenagers, students, apprentices, teachers and instructors, youth actors) are invited to share their Erasmus + stories on **social networks** with the hashtag #ErasmusDays along with **civil society representatives** (European organizations, parents associations, etc.) that will be demonstrating their pride in being European and their commitment to Europe ;
- **decision-makers, high-level officials** and **elected representatives** are invited to participate in the #ErasmusDays events organized on their territory and to communicate about their work with the media.

## HOW CAN YOU REGISTER AN EVENT ?

Higher education players, schools, vocational education players, non-governmental organisation and civil associations or any stakeholder organising an #ErasmusDays event can register their event on [www.erasmusdays.eu](http://www.erasmusdays.eu) until October 10<sup>th</sup>.

A **digital kit** can be downloaded on [www.erasmusdays.eu](http://www.erasmusdays.eu), including logos, images for the social networks, etc.
